From The Excise Commissioner

To The Chief Secretary to the Government
of Mysore.

Sir,

I have the honor to forward copy of a letter No. 956 dated 15th Instant, together with its enclosures received from the Excise Assistant Commissioner, Toddy Department, Paras 1 to 6 of that report are summarized below, and give the total expenditure incurred, (1) for the collection of statistics up to December 1891, and (2) subsequently to the end March 1892, to look after the Vanams, at Rs. 30,970 or 2 per cent on the revenue secured:—

					Total

				Total Rs.	30,970-11-

2. The delay in the submission of the schedules was, I believe, owing to the difficulty of getting the Amildars to send in bills confining their expenditure within the limits fixed by Government; to the Excise Assistant Commissioner being constantly on the move in Camp, to his having heavy office work and accounts to check and dispose of, and to his hands being untrained and new to the work.

3. The Excise Assistant Commissioner encloses the six bills as per margin for sanction. In paras 8 to 13 of his report Mr. Mc Donnell explains the circumstances under which the charges were incurred. These may be summarized thus.

1. For 3 Assistant Supervisors and 2 Sealers of the Arrack Branch retained pro-tem on special duty.	Rs. 501-4-8
For 12 men of the permanent Arrack Staff and one of the District Office kept on in the Department by the Deputy Commissioner.	186-"-"
Head Quarters Office for May 1892	265-6-9
For pay of Temporary Head Munshi Narainsamy Modliar specially entertained for Toddy work from 4th August 1891 till the Office was entertained in September 1892	56-12-"
——— do ——— Travelling allowance for ——— do ———	
Special allowance for 3 Assistant Supervisors of the Arrack Branch	291-15-2

Items A and C were necessary as the Staff could not be suddenly withdrawn without entailing inconvenience, and till the work in hand had been completed. Item B is pay due to 12 of the Arrack hands whom the Deputy Commissioner retained for Toddy work under the "new scheme", and to whom it is proposed to grant pay with retrospective effect from 1st April 1892 on the new scale sanctioned in

Proceedings

Proceedings No. 1019-29 dated 12th April 1892, para 15. Items D & E had to be incurred as Mr. Mc Donnell needed special help to prepare at the outset the statistics &c. required by Government for the "new scheme". These six bills may therefore be passed and transferred to the Comptroller for audit at an early date, and sanction accorded to retain the staff as per margin till the statistics are checked and submitted.

2. Clerks on Rs. 20 = 40	
1. Daffadar on Rs. 10	16
1. Peon on Rs. 6	
Rs.	56

4. Mr. Mc Donnell explains that as the work of all the Darogas was equally responsible, arduous, and trying, all the Arrack hands so selected for that post were granted the same horse allowance, and begs that the allowance already granted to them from the outset, may be confirmed.

5. As 3 of the Superintendents of the Arrack branch were assigned Districts with very large revenues involved and had exceptionally heavy work to perform in them,

Mysore District including French Rocks	2,82,092
Bangalore District	2,25,572
Tumkoor District	2,33,711

Mr. Mc Donnell encloses a bill marked F for Rs. 291-15-2, and begs Government will as a special case, grant them 20% increase to the pay they drew in the Arrack branch as they really did good service to Government in the Toddy Department.

6 As Government are in a position to

judge of the work performed by Mr. McDonnell during the time he has been engaged on the New Toddy scheme and the results obtained and of the other circumstances mentioned in para 14 of his letter, I enclose the bill sent in by him marked V for favourable consideration of Government.
